FROM OUR FILES

FIVE YEARS AGO:

An estimated 30 to 40 Hamlin area workers at the National Gypsum Company plant at Rotan went back to work Saturday after an eight-day strike that had put some 190 men out of work.

Mr. and Mrs. Jess Young returned Sunday from a several day vacation trip to Portland, where they visited Mr. and Mrs. W. H. Pfeiffer, and family. Mrs. Pfeiffer is a daughter of the Youngs.

Ann Richey, daughter of Mrs. Jack Richey, and leader in the Hamlin High School chapter of Future Homemakers of America, left over the week end for Chicago, where she is attending the annual convention of the national FHA. The sessions opened Monday and will continue tomorrow (Friday).

TEN YEARS AGO:
Blistering winds of the past several days have ripened much of the grain sorghums in the Hamlin area prematurely, and some of it is being harvested.

Roy A. Dunlap, registered civil engineer, formerly of Lubbock, has been employed as a city manager and coordinator of a proposed improvement program, including a paving project, for Hamlin.

Deposits at the Farmers & Merchants National Bank at close of business on June 30, 1954, totaled \$4,727,449.52, showing a gain of about half a million over the previous call.

FIFTEEN YEARS AGO:

Hamlin Schools will have a band next year, it is announced by Superintendent Ira R. Huchingson. Walter P. Chalcraft, recently graduated from McMurry College in Abilene, has been employed as the new director.

A. G. Irwin, president of Hamlin Lions Club, left Tuesday for New York City to attend the convention of Lions International.

Pat Marlow, co-owner of Style Cleaners, was installed this week as new president of the Hamlin Rotary Club.

Allan Shivers, lieutenant governor, will take the oath of office Saturday as governor. He succeeds Beauford Jester of Corsicana, who died in his sleep on a pullman car on a trip to Houston Monday.

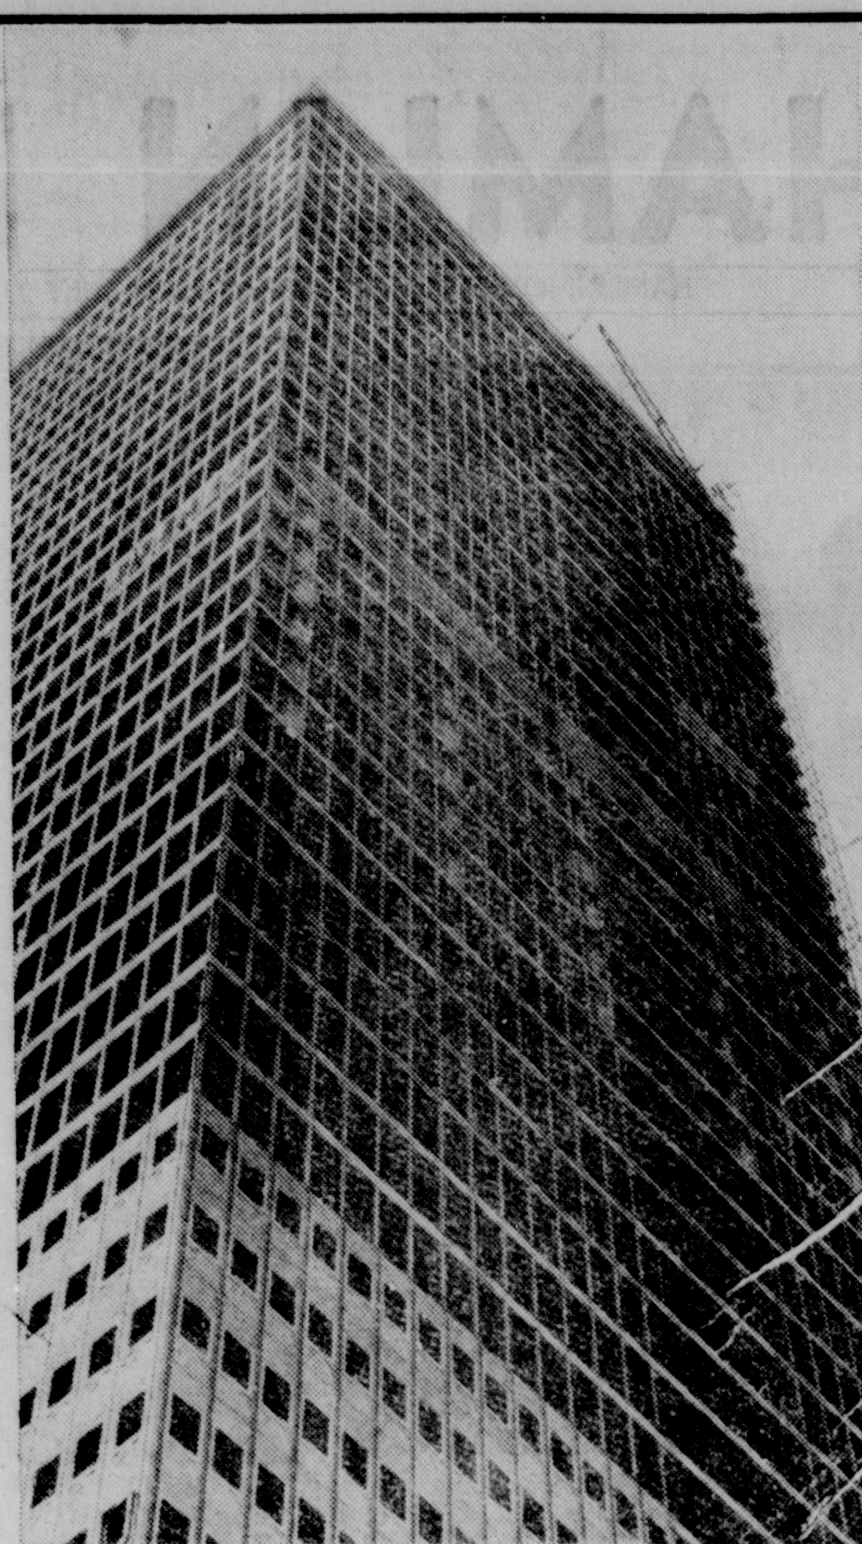

TWENTY-FIVE YEARS AGO:
Representative Travis B. Dean and wife have returned from Austin to Hamlin and will make their home here. He has opened law offices in the Waggoner building.

Mr. and Mrs. S. D. McMahon left Sunday by train for San Francisco, California, and other Pacific area points to spend their vacation.

Bids were opened Tuesday for construction of a new water filtration plant for the City of Hamlin. Harry Eaton of Tyler was low bidder at \$24,961.

Mr. and Mrs. Clyde Huff left Sunday by auto for California, going by way of Denver, Boulder Dam, Yellowstone Park and other points of interest.

Mrs. Illan Bush of Mercury is visiting her sister, Mrs. Levi Bush and family.

PROGRESS

Progress is on the march. There is a great boom in building. Cures are being found for maladies that have killed mankind for centuries. Industry is doing magnificent things. But what sort of progress is being made in human relations—this term that includes respect for the person and property of others and good will among men.

There is one agency striving for progress in this field. This agency is the church. At the birth of Jesus Christ, the following prophecy and promise was given to mankind by a host of angels: "Glory to God in the Highest Heaven! Peace upon earth among men of goodwill!" Luke 2:14, (Phillips translation). Only when the majority of men on earth are men of goodwill, will we have peace.

Attend church this week and align yourself with the forces of God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AGENT EXPLAINS HOW 'BACK TAGGING' HELPS CATTLEMEN

"Back tagging" cattle for a market brucellosis test benefits every cattle raiser in Jones County and particularly the individual who is selling the cattle, explains County Extension Agent Kirby Clayton.

By back tagging cattle, inspectors at Federal and State-

inspected slaughter houses are able to return brucellosis reports to the farm owner and credit the county with the brucellosis test.

The brucellosis-report credit to the county is one of the most important advantages of back tagging, according to Dr. C. M.

Patterson, Extension veterinarian, who is a strong supporter of the market testing program.

Dr. Patterson points out that if 15% of the cattle in the county is back tagged and tested at the slaughter house, on-the-ranch testing is not required for a county to maintain its brucellosis-free certification," Clayton said.

Two other benefits to ranchers who back tag are that they get early monitoring of the disease and are able to control it before it spreads through their herd, and they get a tuberculosis report which also applies to the tuberculosis certification.

"Of course, the main advantage," Clayton said, "is that stockmen do not have to pen their cattle and run tests every three years if they back tag enough cattle to keep the county on a brucellosis-free standing."

JULY 19-25 DESIGNATED FARM AND RANCH SAFETY WEEK

Farm and ranch families throughout the United States will observe the twenty-first annual National Farm Safety Week, July 19-25, and are being urged by participating agencies and firms to utilize good safety practices in an effort to decrease more than 2,000 non-traffic rural fatalities that occur in the nation each year.

The Production Credit Associations of Texas, home-owned and operated agricultural financing institutions, are cooperating with the National Safety Council, the U. S. Department of Agriculture and various other agencies in the promotion of safety among the nation's rural population.

A slogan of "Safer American Families Everywhere" is being utilized, and emphasized this year is being placed on safe use of pesticides and tractors.

"Both pesticides and tractors are safe if they are used safely," commented J. L. Hill Jr., general manager of the Stamford Production Credit Association.

Hill urged that farm and ranch families through Dickens, Haskell, Jones, Kent, King, Knox, Shackelford and Stonewall counties, served by the operator-owner Stamford Production Credit Association, observe proper safety rules the year around to help decrease loss of life and costly lost-time accidents.

The observance of safety rules in the use of pesticides and tractors will eliminate many costly accidents each year, Hill said. Tractor accidents are caused chiefly by tipping, falls, power take-off, runover and highway collision, he said, and proper safety precautions will prevent many of these accidents.

Keep Clear Of Shore
AUSTIN, TEX. — The Texas Safety Association recommends that water skiers keep clear of the shore, piers, pilings and other boats for safety. TSA also advises that an extra rider go along to keep an eye on the skier. The drive of the boat needs to look where he is going at all times.

BROWN-KELLY VOWS READ IN ABILENE CEREMONY JULY 11

Cheryl Lynn Brown, daughter of Mr. and Mrs. John R. Brown Jr., and Roy Dennis Kelly, son of Mrs. Roy Kelly of Canyon and the late Mr. Kelly, were united in marriage July 11 in Abilene. The wedding was held at 7:30 p.m. in the home of Mr. and Mrs. Philip E. Hetzel, aunt and uncle of the bride. Rev. Frank Codrington, pastor of the Neinda Baptist Church, officiated for the single ring ceremony.

Judy Fitzgerald was organist.

Nancy Brown was maid of honor for her sister, Jim Brandon was best man. Cecil Robinson lighted candles.

The bride given in marriage by her father, wore a sheath of white linen designed with scoop neckline and embroidery detail at the waistline. She wore a white lace pith helmet with brief veil and carried a bouquet of white carnations tied with white satin atop a white Bible.

She wore a 45-year-old wrist watch that was her grandmother's, Mrs. John R. Brown Sr. It was an engagement gift to the bride from her grandfather, John R. Brown Sr.

The maid of honor wore a street length dress of white pique with square neckline and lace applique skirt. Her headpiece was a circlet of blue satin. Her corsage was of blue carnations.

The reception was held in the Hetzel home. Pam Smith, Phyllis Scarborough, Miss Fitzgerald, all of Hamlin, Karla Brown of Anson and Taras Hetzel of Abilene served.

Following a wedding trip to Fort Worth and Arlington the couple will be at home at 120 Northwest Ave. B.

The bride is a 1964 graduate she was a member of Future of Hamlin High School where Homemakers of America, the basketball team, volleyball team, Spanish Club, Pep Squad. She was also senior class treasurer, a Piper Queen Nominee and voted Most Courteous.

The groom was a 1963 graduate of Hamlin High School where he was a member of the Future Farmers of America, the basketball team, football and track team. He is now employed by Bailey's Construction Company.

Ten Clubs Take Part in Monthly HD Council Meet

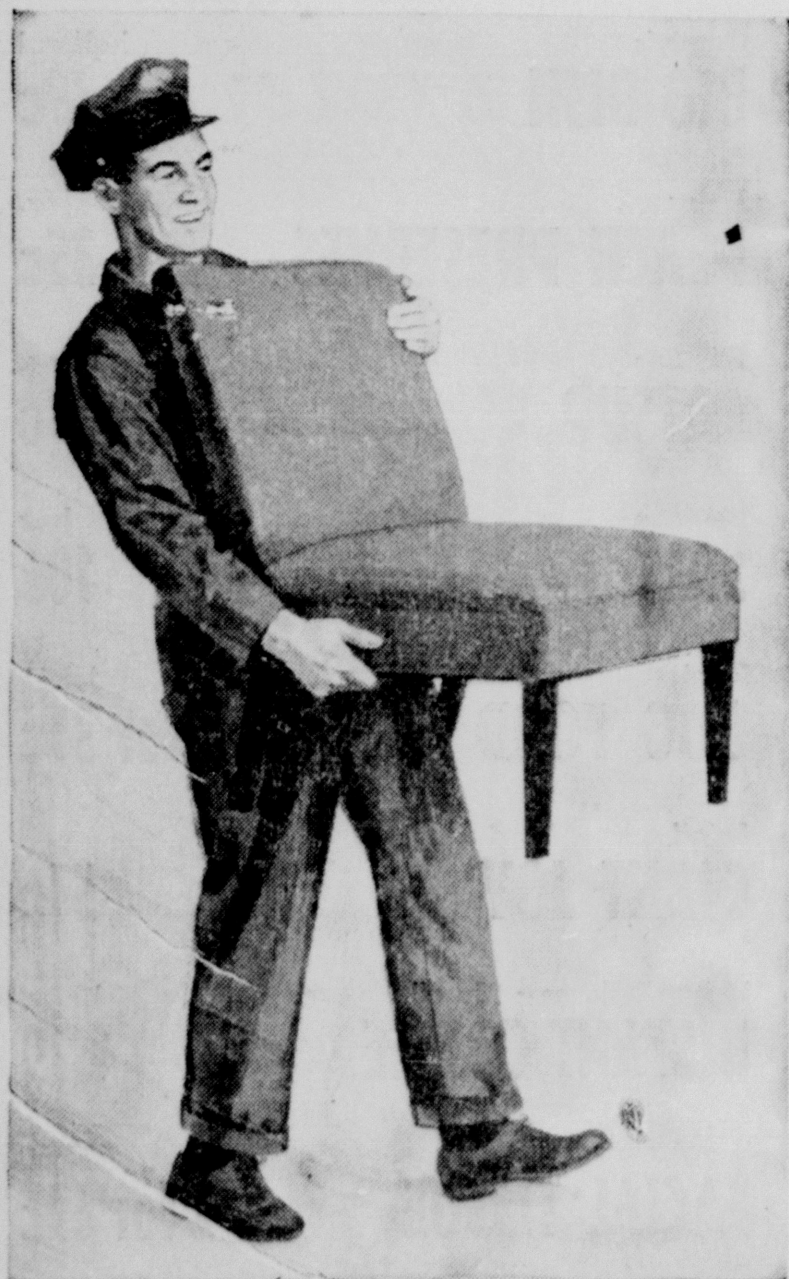

The Jones County Home Demonstration Council met for the July meeting in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent. Mrs. Elmer Joiner, chairman, presided. Ten clubs were represented with 17 members and two visitors.

Final plans were made for the Comic Style Show and Game night to be held August 28 at 7:30 in the Anson Lions Club building. The public is invited to attend. A small admission will be charged at the door. Drinks and cookies will be furnished. Games will be available for all ages. Baby sitters will be available for small children.

Delegates elected to attend the State Home Demonstration Convention at Rice Hotel in Houston in September were: Mrs. Elmer Joiner, Mrs. H. H. Dunklin and Mrs. Carl Bonneau. Alternates elected were Mrs. Ab Hunter, Mrs. H. A. Haynes and Mrs. Fikes.

There will not be a council meeting in August.

Annual Fisher 4-H Dress Revue To Be Held Friday

The Annual Fisher County 4-H Dress Revue will be Friday July 24 at 2:30 p.m. in the Auditorium of Roby High School.

Garments the girls have made will be judged prior to the Dress Revue by Mrs. Agnes Marrs, Kent County H. D. Agent and Miss S. C. Kinsey, Knox County H. D. Agent.

Decorations for the stage are being furnished by Russell's Department Store of Sweetwater. Mrs. Fred Kemp of McCaulley will be in charge of decorating. She will be assisted by Ann Kemp of McCaulley, Sharon Mitchell and Sue Brumfield of Roby. Doris Chandler of Roby will be commentator.

Girls entering the Dress Revue will be judged in three separate groups. Groups will be 9

to 11 years old, 12 and 13 years, and 14 years and older. All girls entering must have attended a clothing workshop conducted by adult leaders or the agent.

Clothing workshops have been conducted by the following leaders and junior leaders: Mrs. W. J. Coffman, Mrs. Horace Carter, Mrs. Glen Gruben of Rotan, Mrs. A. A. Smith, Mrs. W. D. Cleveland of McCaulley, Mrs. Carl Kreidel, Mrs. Thurman Terry, Doris Chandler, Kay Schubert, Sharon Mitchell, Roby, Mrs. J. C. Sheffield of Busby.

The Home Demonstration Council will sponsor a tea for the girls and their guests following the Dress Revue.

The public is invited to attend.

CARD OF THANKS

CARD OF THANKS:
We are truly grateful to our many good friends and neighbors who did so much for us during our recent loss. We would like to express our appreciation to Dr. Smith, the hospital personnel, and the special nurses who gave so tirelessly of their efforts in the care of our loved one. The flowers, cards, food, visits, love, prayers, and other tokens of sympathy have been comforting expressions of your friendship and affection. The Family of Mrs. E. D. Nunley

EXTENSION SPECIALIST GIVES HINTS ON LAWN MANAGEMENT

COLLEGE STATION — Un-sightly weeds can invade and ruin a beautiful lawn when proper management is neglected, says Albert C. Novosad, Extension pasture specialist, Texas A&M University. A vigorous turf is the best control or weed and weedy grasses, but when they do infest a lawn, elimination and control with chemicals or by hand becomes an important management practice.

Some chemicals available for controlling lawn weeds include disodium methylarsenate, amine methylarsenate, mapthia, indothal, silvex, and 2,4-D, re-torts the specialist.

Crabgrass, Dallisgrass, goosegrass, Sanbur, and other summer-growing weedy grasses in Bermudagrass turf may be controlled with disodium methylarsenate or amine methlarsonate. Novosad says these materials are most effective if applied to weedy grasses in the seedling or young stages when growth is active.

Temporary browning or yellowing may occur when these materials are applied to Bermudagrass, but this will disappear in seven to 14 days. Novosad points out. St. Augustine is severely burned or even killed by these chemicals, but small bare spots should be covered by new growth in four to six weeks.

Weedy grasses should be mowed three to four days before treatment, adds the specialist. However, treated areas should not be mowed within 48 hours after application. Retreatment or spot treatment is often necessary for good control.

Dallisgrass and other weedy grasses may also be killed by wetting the leaves and stems with naphtha, says Novosad. This material should be used for spot treatment only as it will kill lawn grasses to which it is applied. However, bare spots left by naphtha treatment will be filled by new growth in a few weeks.

CARD OF THANKS:
I want to thank this opportunity to thank the following men: Frank Allen, Dan Allen, Raleigh Reynolds, Warren Reynolds, Richard Young, Albert George, Bill and Etanley Smith, for plowing my cotton while I was ill. R. J. Waddle. 40-1p

CARD OF THANKS:
We are thankful beyond measure for all of our good friends who helped us so much during our recent sadness. May we offer our humble thanks for your comfort and love. The Lewis Family. 40-1p

CARD OF THANKS:
We wish to thank this means to express our thanks to all our friends in Hamlin that have made our stay here most pleasant. You have been very kind and good to us. FAIRVIEW NEWS

By MRS. ELMER JOINER

We heard on the news this morning that they had over nine inches of rain, somewhere in Texas, wish some of the runoff would come our way. At least we did have much cooler weather last week, much to our relief. Maize harvest is in full swing, the hot, dry weather having cut the crop short, making it ready to combine much earlier than it would have been, otherwise.

We reported last week that Weldon Wainscott, of Gary, Indiana, was very low, but by the time the family had arrived from here, he was improved some. Mrs. George Wainscott and Jimmy, Mr. and Mrs. Wayne Wainscott and Mr. and

Mrs. David Higgins, all returned home the last of the week, but his father, George Wainscott, with Mr. Wainscott's sister, Ethel Allen, stayed on with them for awhile. Only time will tell what the verdict will be, but at the last report there was hopes that the sinking spell was caused by severe dehydration and maybe he would soon be much better.

Linda Goodwin went with her friend, Jeannie Young and her mother, Mrs. Richard Young to Sweetwater, to spend from Friday until Sunday, with Mrs. Young's mother, of that city. It was a good way for Linda to celebrate her birthday, which was Friday, as she had been carrying on the house work at home, since her mother had surgery almost two months ago.

Mr. and Mrs. Fred Rosenbaum spent the weekend in Ft. Worth, visiting her brother, Mr. and Mrs. D. T. Downey and daughter.

Mr. and Mrs. Bill F. Joiner, Christine, Allen, Linda, Brenda and Tommy, of Brawley, California, ate lunch with his uncle, Mr. and Mrs. Elmer Joiner, Sunday. They have been visiting his mother, Mr. and Mrs. Leroy Vanderwort, who reside near Old Glory. Christine and another son, Robert, have been with their grandmother for a few weeks visiting, and will return home with the family.

Mrs. E. A. Henry reports that her son, Clois Henry and family, flew over from San Angelo, Sunday afternoon, for a visit. Must be a sight to look

out and see your children come rolling up to your door in a plane, all of which the Henry's get real enjoyment from.

Mr. and Mrs. Woodrow Goodwin ate lunch with Mr. and Mrs. Winson Gray Sunday, being Mrs. Goodwin's first Sunday to be able to attend both morning services, since she was sick.

The Fairview church, along with a group from Tuxedo, went to Hamlin to the rest home, Sunday afternoon, for a visit and to hold services for the patients residing there. They reported a wonderful time visiting with the patients and a warm welcome from the staff, with an invitation to return.

Buster Mackey, left last Tuesday, for his home in Panorama, California, which is a suburb of Los Angeles, after a few weeks visit with his uncle, Mr. and Mrs. Winson Gray.

Mr. and Mrs. Flavil Holmes and Mr. and Mrs. Jack Wright and children, went to Peacock, Sunday afternoon, where they met some of their relatives at the home of Mr. and Mrs. Bob Clements. Mrs. R. O. Clements, who is a sister of Mrs. Holmes, has a little granddaughter three years old, the daughter of Mr. and Mrs. Bill Clements, who will have open heart surgery, in Dallas, this coming week. Jack Wright is scheduled to go and give blood for the operation. It is to be very serious and the outcome is uncertain, as it always is in such a case, but since the outcome is certain without it, it is something that has to be done. Let's all remember the family in this hour, even though we do not personally know them.

Mr. and Mrs. Elmer Joiner went late Sunday afternoon to visit his cousin, Mr. Arthur Rutherford, of Stamford.

Mr. and Mrs. Doil Jones, Rickie and Mike, San Diego, California, Mr. and Mrs. Bill Jones, Sherman, Texas, with their three sons, all visited with their parents, Mr. and Mrs. Mel Jones, last week. The Jones from California stayed from Wednesday night until Monday morning, while the Texas son's family had to return home Friday.

Marion Carter Completes Course

FORT POLK, LA. (AHTN)—Army Pvt. Marion F. Carter, son of Mr. and Mrs. M. F. Carter, Route 2, Hamlin, completed a field communication crewman course under the Reserve Enlistment Program at Fort Polk, La., July 10.

Carter was training in fire laying, message center operation and switchboard operation.

Rose Lovell Will Serve on Staff At Glorieta Camp

Rose Lovell, daughter of Mr. and Mrs. Charles Lovell, is in Glorieta, N. Mex., serving on the staff of Glorieta Baptist Assembly.

She is a 1964 graduate of Hamlin High School and a member of the First Baptist Church.

She attended Hardin-Simmons University during the first summer session. She will be in New Mexico for six weeks.

Mr. and Mrs. Norman Carlton's daughter and family, Mr. and Mrs. Tommy Greenway, Keith and Kent, of Andrews were visiting here last week. Also visiting the Carltons were Mr. and Mrs. Virgil Rush, Cincinnati, and Mr. and Mrs. Story of Basbrando, Arizona.

Mrs. V. R. Leverett Resigns as Haskell County HD Agent

Mrs. V. R. Leverett of Old Glory has announced her resignation as Home Demonstration Agent of Haskell County. The resignation will be effective August 1.

She is the wife of V. R. Leverett, superintendent of Old Glory School. She said that responsibilities which demand more time with her family promoted her decision.

Mrs. Leverett was commended by Haskell County Judge James C. Alvis. He stated that she performed tirelessly, did a splendid job, and compiled an exemplary record. He also said the Commissioners' Court of Haskell County "reluctantly accepted" the resignation.

Mrs. Leverett has had experience as a Home Demonstration agent. She has served in Bosque, Coleman, Bexar and Kerr Counties. She resigned from the Extension Service to become a teacher in 1955. Last October she resigned as home-making teacher in the Old Glory School to accept the job as Home Demonstration Agent in Haskell.

The Haskell County Commissioner's Court has not named a successor to Mrs. Leverett at this time.

All-Colored Rodeo Set for Baird, 24-25

The Callahan County Sheriff's Posse will sponsor an All-Colored Rodeo Friday and Saturday night, July 24-25, at Baird, Texas.

This is an All-Colored contest approved by the Negro Cowboys' Association headquartered at Houston, Texas. In the past, Colored Rodeos have moved to be a real favorite at Baird.

This year's Colored Rodeo will feature some of the nation's top ranking cowboys competing in the five major Rodeo events, Bareback Bronc Riding, Saddle Bronc Riding, Calf Roping, Steer Wrestling and Brahma Bull Riding. Also featured will be an old favorite of area fans, Alex Alexander of Houston, Texas, Gene Autry's Colored comedy clown and bull-fighter.

Starting time is 8:00 p.m. nightly at the newly rebuilt Sheriff's Posse Arena on Highway 80 East of Baird with plenty of free parking.

OLD GLORY ...

By Judy White

This week, July 19-25, has been proclaimed National Farm Safety Week.

Two Old Glory men, E. H. Diers, County Service Agent for the Stonewall County Farm Bureau and B. A. Erdman, president of the organization have been instrumental in coordinating activities for a special farm safety campaign in this county.

Farmers in this area are reminded that farm accidents in Texas result in over 150 deaths and thousands of disabling injuries each year.

It is well to note that nobody benefits from accidents, but everyone gains from good accident - prevention programs.

We should all cooperate with Mr. Diers and Mr. Erdman and other members of the Farm Bureau in their effort to reduce accidents to rural families.

Mrs. Katie Gerloff spent Friday and Saturday of last week in Stamford with her sister Mrs. Pauline Fuqua.

Six members of the Old Glory Variety Club joined a group of women in Haskell recently to assist the volunteer worker at the Haskell Cancer Center. They met in the work room at the court house. Each took a long material of worn sheet to be used in making bandages. An appeal for volunteer workers and donated materials had been made through the Abilene Reporter by the Cancer Center. Attending from here were Mrs. Charlie Letz, Travis Beil, Beno Hertenberger, Katie Gerloff, Garrett Spitzer and Lynn Flowers.

Mrs. A. F. House has returned from a visit in Brownfield with her sister's family, Mr. and Mrs. W. D. Dugger, and Gary Don. The Duggers were here over the July 4 weekend and Mrs. House went home with them.

Lisbon Letz, local postmaster, was in Fort Worth last week visiting with his brother's family, the Buelford Letz's.

Recent guests in the home of Mr. and Mrs. Lynn Flowers were her sisters Mrs. W. H. Hargrove and Mr. Hargrove and Mrs. Hazel Fuqua, all of Stamford and Mr. and Mrs. C. Sprayberry of Avoca.

Variety club: Mrs. Lynn Flowers hosted the regular meeting of the Variety Club in her home on Tuesday, July 14, at 2:30 p.m.

Patriotic songs were sung and Johnny Garner led the group in repeated in unison the Pledge of Allegiance. Mrs. John L. Garner led the prayer. Roll call answers were the naming of a U. S. President.

Plans were made to have the club's annual picnic.

Ten members and two children were present. Mrs. John L. Garner will host the next meeting at her home on Tuesday, July 28, at 2:30 p.m.

The Old Glory Variety Club's annual picnic was held on the lawn of the school house on Friday night July 17 at 7:30 a.m.

A basket lunch was enjoyed by about 20 people who attended.

Mr. and Mrs. Joe Jones attended the funeral of his uncle Tom Bell, at Davis Oklahoma recently.

Mrs. Joe Jones has been visiting her aunt, Mrs. R. G. Clark, at Austin, and another aunt, Mrs. Viola Heine, at Lampasas. Mrs. Heine had been critically ill for several weeks and passed away Saturday July 11. She had visited the Jones family here many times during the past several years. Our sympathy is extended to the Jones family.

4-H CAMP

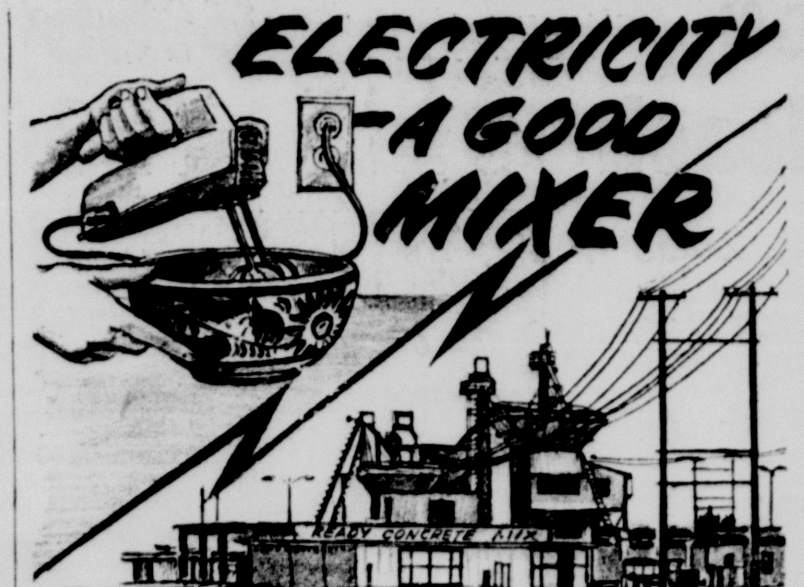

Stonewall County 4-Hers who did not get an invitation to County Camp this year in the mail may regard this article as an invitation to attend.

The only requirement is that the 4-H member must have entered in some 4-H project or activities during the year.

The camp will again be held at Buffalo Gap. The cost will be \$3.00 per person and the campers will leave on July 30 at 8:00 a.m. from the court house and return around 4:00 p.m. on July 31.

Rural people have the same needs for electricity that city people have, plus hundreds of additional uses. Years ago, they tried desperately to get electric service and when everything else failed, they built the Midwest Electric Cooperative. This modern, efficient, dependable system furnishes a low cost electric service that is first rate. The member-owners of Midwest find that electricity in addition to being a good mixer is a good blender, cutter, heater, cooler, grinder, lighter, freezer, dryer, pumper, sander, slicer, cooker, trimmer and a lot of other things you can probably name. Midwest Electric Cooperative is a proud accomplishment of determined people building a better way of life in the rural areas. Rural electrification is good for all Texans.

REDUCE SPEED TO TOW BOAT

AUSTIN, TEX. — The Texas Safety Association reminds

boat owners to slow down when towing boats on trailers to and from launching sites. You need to slow down well in advance of turning corners — it's safer and easier on your brakes. Avoid unnecessary passing. When you do pass,

make certain the highway is clear. Your added load requires more highway passing area.

More than 225 different tree types, 600 species of grasses and 4,000 species of wild flowers grow in Texas.

Cecil Ragland and Arnold Johnson Buy Local Business

Wade Butane and Farm Equipment, a firm owned and operated here for many years by A. A. Wade has been sold to Arnold Johnson and Cecil Ragland. The firm will now be operated as two businesses with Johnson, longtime manager of the repair and butane department, as owner of Johnson Butane and Repair and Ragland, formerly of Midland, as owner of Ragland Field and Electrical Equipment.

Ragland was employed by an electrical firm in Midland for eight years. He is married to the former Imogene Howard, daughter of Dan Howard of Hamlin and the late Mrs. Howard. They have one son, Max Clay, nine months.

Johnson will sell farm and electrical supplies and offer electrical service, residential and commercial wiring.

Johnson, a native of Hamlin, has lived here most of his life with the exception of 10 years when he lived in Big Spring. He was employed by Eddie Jay for 12 years and then for the past seven years has been with Wade Butane and Farm Equipment. He purchased the shop equipment and will continue the sale of butane and offer automotive and tractor repair.

He is married to the former Ada Jane Howard, sister of Mrs. Ragland. He has two children, Elizabeth Ann Johnson, a teacher in Stamford High School, and a son, Don, of Houston.

Tommy Carpenter, grandson of Mr. and Mrs. Frank Carpenter, returned to New Orleans Saturday after a weeks visit with his grandparents.

Plains Pastor To Hold Neinda Baptist Revival

Rev. J. L. Bozeman, pastor of the First Baptist Church, Plains, Texas, will be the visiting evangelist at the Neinda Baptist Church, Rt. 1, Hamlin. The revival will begin Sunday, July 26, and continue thru Aug. 2.

Prayer service at 7 p.m. and preaching service at 8:00 p.m. every night.

Rev. Bozeman will arrive for the Sunday night service. Music will be under the direction of Mr. and Mrs. Stanley Jackson of Neinda.

Frank Codrington is the pastor and extends a cordial invitation to everyone to attend this series of services.

Swimming Pool Sets Ladies Day

Ladies Day has been resumed at the Hamlin Foundation Swimming Pool according to Dan Truelove, operator. The women swim at 10 a.m. on Tuesdays.

Swimming lessons which had been conducted during the past few weeks were completed and the ladies' day could be resumed. A good turnout was reported Tuesday.

Three From Here To Take Part in Laymen's Crusade

John V. Howard, Edgar Duncan and Johnny Stoval are in California this week participating in the West Coast Laymen's Crusade. The simultaneous services started Wednesday evening and continue through Sunday, July 26.

The group left Friday morning and arrived in California Saturday afternoon. They were accompanied by Fay Laverne Hubbard daughter of Mrs. George Howard, who will visit friends there.

Mr. Duncan will be speaking in the Southern Baptist Church in Palmdale, Calif. Mr. Howard's assignment was the First Southern Baptist Church in Lancaster, Calif.

Johnny, a ministerial student and son of Mr. and Mrs. H. S. Stoval, was to receive his assignment after reaching California.

Extension Office Has Electric Forage Sampling Tube

The County Extension Office now has on hand an electric Forage Sampling tube for use by Farmers and Ranchers of Jones County in taking hay and forage samples for analysis, according to County Agent, Kirby Clayton.

The forage sampling tube will be available on a loan basis for taking samples, says Clayton. The forage sampler puts into an electric drill and is long enough to core drill a bale of hay through and through for the sample.

The Forage Sampling and analysis is a new service just recently established by the Extension Service and instructions and application sheets are all available at the County Agents Office.

Mrs. A. L. Lewis, 83, Buried Here July 13

Funeral services were held at the Rudolph Chapel of the Chimes at 10 a.m. Wednesday, July 15, with Dr. Lewis N. Stuckey of Dallas officiating. Burial was in Hamlin East Cemetery, Hamlin.

Mrs. Lewis was born in Pike County, Miss. She was a member of the Tyler Street Methodist Church in Dallas. Survivors include a son, Dudley Lewis of Hamlin and a daughter, Mrs. Mary Bowers of Waxahachie, two grandchildren and five great-grandchildren.

Longworth Boy Wins Livestock Show Scholarship

Michael Schubert, Fisher County 4-H Club member, was named winner of one of the two new Houston Livestock Show and Rodeo scholarships. Floyd Lynch, state 4-H Club leader, announced today. Michael is the son of Mr. and Mrs. W. P. Schubert of Longworth.

Winner of the second \$2,000 scholarship is Dwight Lee Pittman, Erath County.

The two winners were selected for their outstanding work in 4-H, school and community activities. The new scholarships will be awarded annually to 4-H boys who wish to study and beef cattle, crops, leadership, receive degrees in agriculture from a recognized university or college.

Among the 4-H projects he has participated in are swine, poultry and dairy judging and public speaking. The seven-year veteran 4-H'er and Gold Star boy has served as chairman of the county 4-H council and as a delegate to the district council. He has also served as president of his local FFA chapter.

A member of the National Honor Society and student council, Michael represented his high school at Boys State and the Attorney General's Youth Conference.

Michael plans to attend Tarleton State College, and then Texas A&M University and study Agricultural Education, or some other course in the field of Agriculture.

The youths presented a two-hour concert on the field of Indian Stadium that featured several marching numbers and twirling routines performed by the youngsters. The grand finale of the summer band school will be held this Friday night, July 24.

The McMurry school began on Monday, July 13, and will continue through July 25. Over 30 leading band directors and twirling specialists are the instructors for the band school. The students are receiving training in concert and stage band, instrument playing, twirling, drum majoring and twirling.

The highlight of the school will be the naming of the Mr. or Miss McMurry Band School the final Friday night.

The students have attended several social activities in conjunction with the band school including theatre parties and a faculty recital. Enrollment for the school is nearly 80 more than last year.

Mr. and Mrs. Cecil Ragland and Son, Max Clay, have recently moved here from Midland. Mrs. Ragland is the former Imogene Howard. Mr. Ragland has opened the Hamlin Farm and Electric.

Hamlin Rebels Defeat Snyder, 5-3

The Hamlin Rebels defeated the ladies of Snyder Tuesday night 5-3.

They will play Hermleigh in the Roscoe tournament Thursday (tonight) at 9:00. The winner will play the winner of the Ira and Roscoe Teen Queens.

Mr. and Mrs. Riley L. Estrada of Aspermont are the parents of a baby girl born July 1. She weighed 6 lb. 1 oz. and was named Ale.

COLTS TO REPRESENT DISTRICT IN HASKELL TOURNEY, AUG. 6

The Hamlin Colts, managed by Callens George, won the championship of the Texas Teenage Western Cottonbelt Junior League. They will represent their league in the district tournament at Haskell Aug. 6-8. The Colts will play the winner of the Eastern Cottonbelt Junior League which will be a Haskell team. Other teams in the tournament will be Stamford and Floydada. The Colts will play in the opening game Aug. 6. Stamford and Floydada will play Friday night, Aug. 7. The winner of the single elimination tournament will participate in the state tournament to be held at Brownwood.

The Colts won six straight after dropping two of their first five games. The Hamlin Oilers, last years winners, was in contention along with the Anson Colts until the last games of the season. M. P. Davis managed the Oilers. The Oilers were in first place until they dropped two games to the Colts the first week in July.

Team members of the Colts are: Jerry Stuart, Dennis Chapman, Larry McCoy, Danny Contreras, Rudy Mendoza, Gil Lain, Doug Carlton, Ernest Ledbetter, Lorenzo Rodriguez, Randy George, Paul Long, Sammy Ferguson, Howard Williams, Ronnie Rogers, and Bill Johnson.

The Oilers are: Jimmy Hastings, Gary Connally, Bobby Moore, Milton Davis, Raymond Nichols, Randy Smith, Carl Evans, Hector Ornela, Jackie Barleson, Joe Adams, Peter Camacho, Donnie Smith, Sammy Hester, Ricky Acklin and Milbourne Newland.

The Western Cottonbelt League members were the two Hamlin teams, two Anson teams, and one team from Roby. The league wishes to thank the people of Hamlin for providing this summer activity for the above boys and for the support of the Hamlin Hawks managed by Jethel Warner.

The Hawks participated in the Cottonbelt Senior League along with teams from Haskell, Stamford, Anson, Rule, and O'Brien.

On the roster of the Hamlin Hawks were: Dan Newberry, Van Newberry, Robert Pearce, Danny Warner, Cleon Warner, Donald Embrey, Roy Phelps, Rupert Compton, Allen Cumble, Scotty Brown, Budd Holland, James Ledbetter, and Sonny Osbourne.

The youths presented a two-hour concert on the field of Indian Stadium that featured several marching numbers and twirling routines performed by the youngsters. The grand finale of the summer band school will be held this Friday night, July 24.

The McMurry school began on Monday, July 13, and will continue through July 25. Over 30 leading band directors and twirling specialists are the instructors for the band school. The students are receiving training in concert and stage band, instrument playing, twirling, drum majoring and twirling.

FROM OUR FILES

FIVE YEARS AGO:

An estimated 30 to 40 Hamlin area workers at the National Gypsum Company plant at Rotan went back to work Saturday after an eight-day strike that had put some 190 men out of work.

Mr. and Mrs. Jess Young returned Sunday from a several day vacation trip to Portland, where they visited Mr. and Mrs. W. H. Pfeiffer, and family. Mrs. Pfeiffer is a daughter of the Youngs.

Ann Richey, daughter of Mrs. Jack Richey, and leader in the Hamlin High School chapter of Future Homemakers of America, left over the week end for Chicago, where she is attending the annual convention of the national FHA. The sessions opened Monday and will continue tomorrow (Friday).

TEN YEARS AGO:

Blistering winds of the past several days have ripened much of the grain sorghums in the Hamlin area prematurely, and some of it is being harvested.

Roy A. Dunlap, registered civil engineer, formerly of Lubbock, has been employed as a city manager and coordinator of a proposed improvement program, including a paving project, for Hamlin.

Deposits at the Farmers & Merchants National Bank at close of business on June 30, 1954, totaled \$4,727,449.52, showing a gain of about half a million over the previous call.

FIFTEEN YEARS AGO:

Hamlin Schools will have a band next year, it is announced by Superintendent Ira R. Huchingson. Walter P. Chalcraft, recently graduated from McMurtry College in Abilene, has been employed as the new director.

A. G. Irwin, president of Hamlin Lions Club, left Tuesday for New York City to attend the convention of Lions International.

Pat Marlow, co-owner of Style Cleaners, was installed this week as new president of the Hamlin Rotary Club.

Allan Shivers, lieutenant governor, will take the oath of office Saturday as governor. He succeeds Beauford Jester of Corsicana, who died in his sleep on a Pullman car on a trip to Houston Monday.

TWENTY-FIVE YEARS AGO:

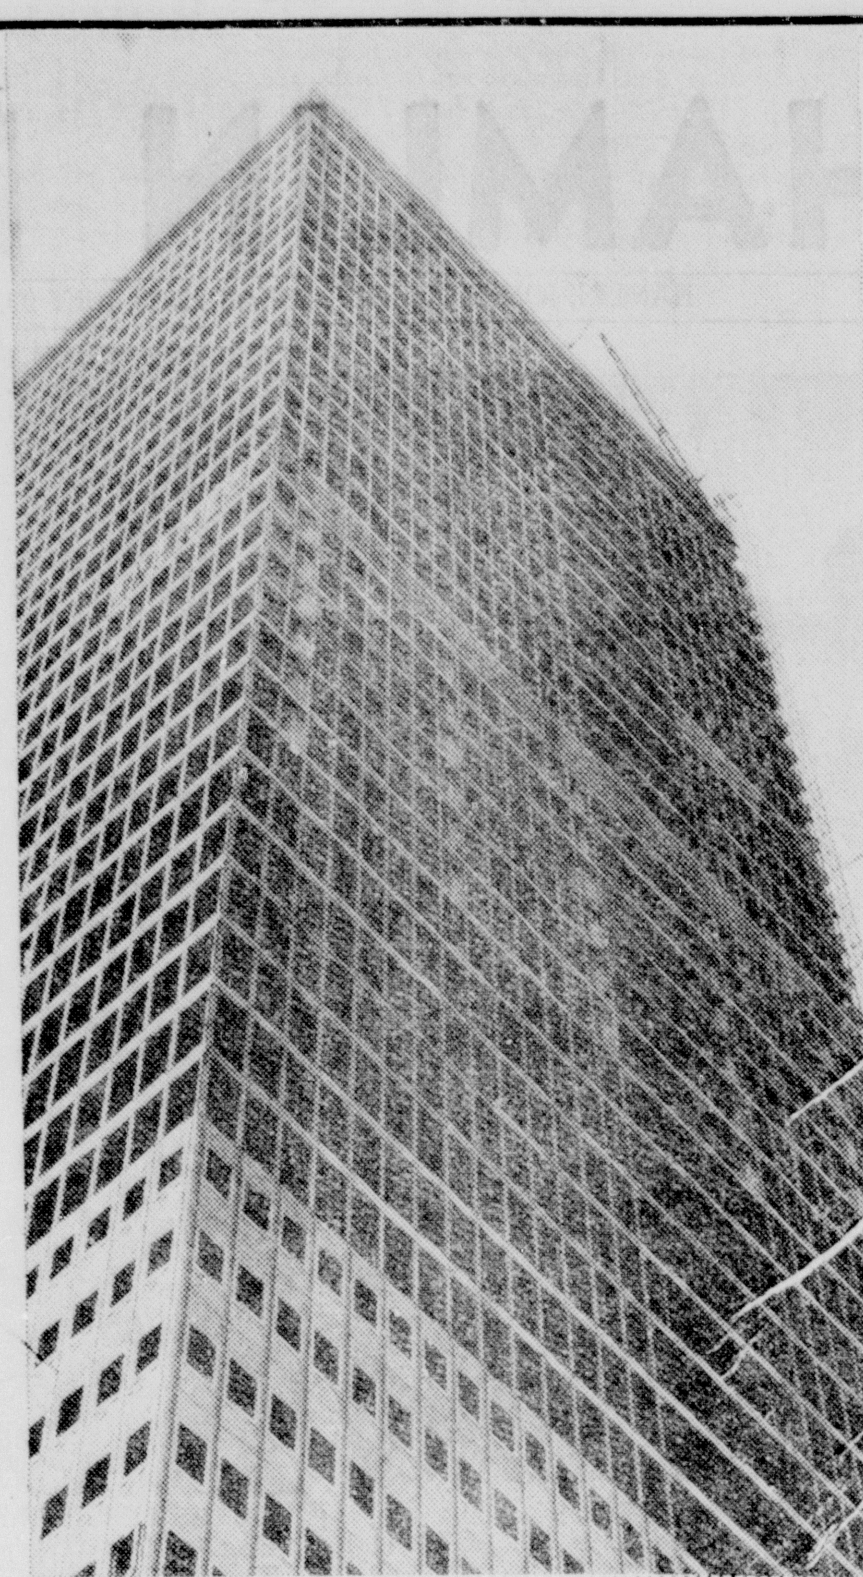

Representative Travis B. Dean and wife have returned from Austin to Hamlin and will make their home here. He has opened law offices in the Waggoner building.

Mr. and Mrs. S. D. McMahon left Sunday by train for San Francisco, California, and other Pacific area points to spend their vacation.

Bids were opened Tuesday for construction of a new water filtration plant for the City of Hamlin. Harry Eaton of Tyler was low bidder at \$24,961.

Mr. and Mrs. Clyde Huff left Sunday by auto for California, going by way of Denver, Boulder Dam, Yellowstone Park and other points of interest.

Mrs. Illan Bush of Mercury is visiting her sister, Mrs. Levi Bush and family.

PROGRESS

Progress is on the march. There is a great boom in building. Cures are being found for maladies that have killed mankind for centuries. Industry is doing magnificent things. But what sort of progress is being made in human relations—this term that includes respect for the person and property of others and good will among men.

There is one agency striving for progress in this field. This agency is the church. At the birth of Jesus Christ, the following prophesy and promise was given to mankind by a host of angels: "Glory to God in the Highest Heaven! Peace upon earth among men of goodwill!" Luke 2:14, (Phillips translation). Only when the majority of men on earth are men of goodwill, will we have peace.

Attend church this week and align yourself with the forces of God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AGENT EXPLAINS HOW 'BACK TAGGING' HELPS CATTLEMEN

"Back tagging" cattle for a market brucellosis test benefits every cattle raiser in Jones County and particularly the individual who is selling the cattle, explains County Extension Agent Kirby Clayton.

By back tagging cattle, inspectors at Federal and State

inspected slaughter houses are able to return brucellosis reports to the farm owner and credit the county with the brucellosis test.

The brucellosis-report credit to the county is one of the most important advantages of back tagging, according to Dr. C. M.

Patterson, Extension veterinarian, who is a strong supporter of the market testing program.

Dr. Patterson points out that if 15% of the cattle in the county is back tagged and tested at the slaughter house, on-the-ranch testing is not required for a county to maintain its brucellosis-free certification," Clayton said.

Two other benefits to ranchers who back tag are that they get early monitoring of the disease and are able to control it before it spreads through their herd, and they get a tuberculosis report which also applies to the tuberculosis certification.

"Of course, the main advantage," Clayton said, "is that stockmen do not have to pen their cattle and run tests every three years if they back tag enough cattle to keep the county on a brucellosis-free standing."

JULY 19-25 DESIGNATED FARM AND RANCH SAFETY WEEK

Farm and ranch families throughout the United States will observe the twenty-first annual National Farm Safety Week, July 19-25, and are being urged by participating agencies and firms to utilize good safety practices in an effort to decrease more than 2,000 non-traffic rural fatalities that occur in the nation each year.

The Production Credit Associations of Texas, home-owned and operated agricultural financing institutions, are cooperating with the National Safety Council, the U. S. Department of Agriculture and various other agencies in the promotion of safety among the nation's rural population.

A slogan of "Safer American Families Everywhere" is being utilized, and emphasized this year is being placed on safe use of pesticides and tractors.

"Both pesticides and tractors are safe if they are used safely," commented J. L. Hill Jr., general manager of the Stamford Production Credit Association.

Hill urged that farm and ranch families through Dickens, Haskell, Jones, Kent, King, Knox, Shackelford and Stonewall counties, served by the operator-owner Stamford Production Credit Association, observe proper safety rules the year around to help decrease loss of life and costly lost-time accidents.

The observance of safety rules in the use of pesticides and tractors will eliminate many costly accidents each year, Hill said. Tractor accidents are caused chiefly by tipping, falls, power take-off, runover and highway collision, he said, and proper safety precautions will prevent many of these accidents.

In 1962, according to the U. S. Department of Health, Education and Welfare, there were 2,245 fatal accidents on U. S. farms and ranches, excluding traffic and home accidents. Highest number of fatal accidents occurred with machinery and highest incident of fatalities occurred in the 15-19 age bracket, the figures revealed.

There are also several simple suggestions for the safe use of pesticides, he said, which will eliminate most of the serious accidents resulting from dusting and spraying: follow directions carefully, keep pesticides in safe places, do not smoke around pesticides, store in original containers, avoid inhalation, avoid spilling on skin or clothing, wash hand free and face and change clothing after using, cover food and water containers when spraying or dusting, make thorough disposal of empty pesticide containers.

Keep Clear Of Shore
AUSTIN, TEX. — The Texas Safety Association recommends that water skiers keep clear of the shore, piers, pilings and other boats for safety. TSA also advises that an extra rider go along to keep an eye on the skier. The drive of the boat needs to look where he is going at all times.

BROWN-KELLY VOWS READ IN ABILENE CEREMONY JULY 11

Cheryl Lynn Brown, daughter of Mr. and Mrs. John R. Brown Jr., and Roy Dennis Kelly, son of Mrs. Roy Kelly of Canyon and the late Mr. Kelly, were united in marriage July 11 in Abilene. The wedding was held at 7:30 p.m. in the home of Mr. and Mrs. Philip E. Hetzel, aunt and uncle of the bride. Rev. Frank Codington, pastor of the Neinda Baptist Church, officiated for the single ring ceremony.

Judy Fitzgerald was organist.

Nancy Brown was maid of honor for her sister, Jim Brandon was best man. Cecil Robinson lighted candles.

The bride given in marriage by her father, wore a sheath of white linen designed with scoop neckline and embroidery detail at the waistline. She wore a white lace 500box hat with brief veil and carried a bouquet of white carnations tied with white satin atop a white Bible.

She wore a 45-year-old wrist watch that was her grandmother's, Mrs. John R. Brown Sr. It was an engagement gift to the bride from her grandfather, John R. Brown Sr.

The maid of honor wore a street length dress of white pique with square neckline and lace applique skirt. Her headpiece was a circlet of blue satin. Her corsage was of blue carnations.

The reception was held in the Hetzel home, Pam Smith, Phyllis Scarborough, Miss Fitzgerald, all of Hamlin, Karla Brown of Anson and Taras Hetzel of Abilene served.

Following a wedding trip to Fort Worth and Arlington the couple will be at home at 120 Northwest Ave. B.

The bride is a 1964 graduate she was a member of Future of Hamlin High School where Homemakers of America, the basketball team, volleyball team, Spanish Club, Pep Squad. She was also senior class treasurer, a Piper Queen Nominee and voted Most Courteous.

The groom was a 1963 graduate of Hamlin High School where he was a member of the Future Farmers of America, the basketball team, football and track team. He is now employed by Bailey's Construction Company.

Ten Clubs Take Part in Monthly HD Council Meet

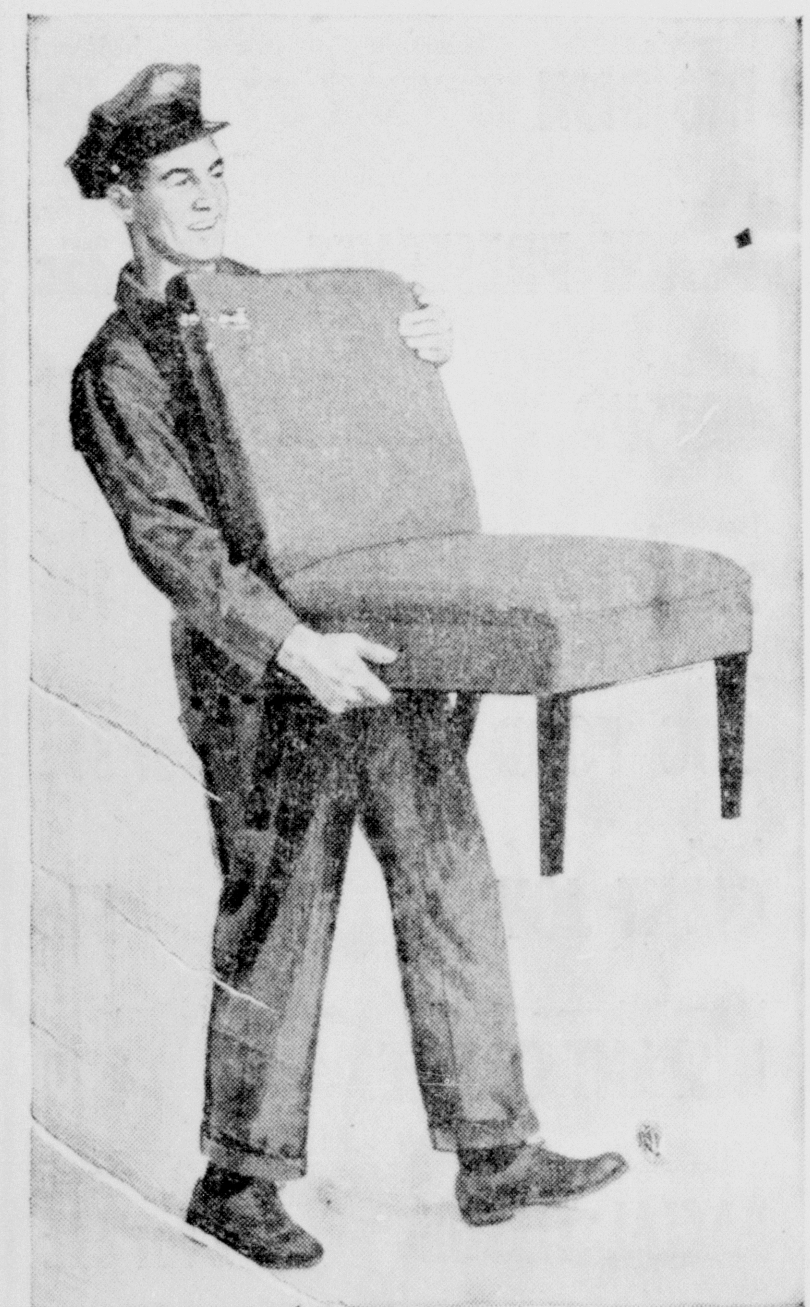

The Jones County Home Demonstration Council met for the July meeting in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent. Mrs. Elmer Joiner, chairman, presided. Ten clubs were represented with 17 members and two visitors.

Final plans were made for the Comic Style Show and Game night to be held August 28 at 7:30 in the Anson Lions Club building. The public is invited to attend. A small admission will be charged at the door. Drinks and cookies will be furnished. Games will be available for all ages. Baby sitters will be available for small children.

Delegates elected to attend the State Home Demonstration Convention at Rice Hotel in Houston in September were: Mrs. Elmer Joiner, Mrs. H. H. Dunklin and Mrs. Carl Bonneau. Alternates elected were Mrs. Ab Hunter, Mrs. H. A. Haynes and Mrs. Fikes.

There will not be a council meeting in August.

Annual Fisher 4-H Dress Revue To Be Held Friday

The Annual Fisher County 4-H Dress Revue will be Friday July 24 at 2:30 p.m. in the Auditorium of Roby High School.

Garments the girls have made will be judged prior to the Dress Revue by Mrs. Agnes Marrs, Kent County H. D. Agent and Miss S. C. Kinsey, Knox County H. D. Agent.

Decorations for the stage are being furnished by Russell's Department Store of Sweetwater. Mrs. Fred Kemp of McCaulley will be in charge of decorating. She will be assisted by Ann Kemp of McCaulley, Sharon Mitchell and Sue Brumfield of Roby. Doris Chandler of Roby will be commentator.

Girls entering the Dress Revue will be judged in three separate groups. Groups will be 9 to 11 years old, 12 and 13 years, and 14 years and older. All girls entering must have attended a clothing workshop conducted by adult leaders or the agent.

Clothing workshops have been conducted by the following leaders and junior leaders: Mrs. W. J. Coffman, Mrs. Horace Carter, Mrs. Glen Gruben of Rotan, Mrs. A. A. Smith, Mrs. W. D. Cleveland of McCaulley, Mrs. Carl Kreidel, Mrs. Thurman Terry, Doris Chandler, Kay Schubert, Sharon Mitchell, Roby, Mrs. J. C. Sheffield of Busby.

The Home Demonstration Council will sponsor a tea for the girls and their guests following the Dress Revue.

The public is invited to attend.

CARD OF THANKS

CARD OF THANKS:
We are truly grateful to our many good friends and neighbors who did so much for us during our recent loss. We would like to express our appreciation to Dr. Smith, the hospital personnel, and the special nurses who gave so tirelessly of their efforts in the care of our loved one.

The flowers, cards, food, visits, love, prayers, and other tokens of sympathy have been comforting expressions of your friendship and affection.

EXTENSION SPECIALIST GIVES HINTS ON LAWN MANAGEMENT

COLLEGE STATION — Un-sightly weeds can invade and ruin a beautiful lawn when proper management is neglected, says Albert C. Novosad, Extension pasture specialist, Texas A&M University. A vigorous turf is the best control on weed and weedy grasses, but when they do infest a lawn, elimination and control with chemicals or by hand becomes an important management practice.

Some chemicals available for controlling lawn weeds include disodium methylarsenate, amine methylarsenate, maphtha, endothal, silvex, and 2,4-D, re- sists the specialist.

Crabgrass, Dallisgrass, goose- grass, Sanbur, and other summer-growing weedy grasses in Bermudagrass turf may be controlled with disodium methylarsenate or amine methylar- sate. Novosad says these ma- terials are most effective if ap- plied to weedy grasses in the seedling or young stages when growth is active.

Temporary browning or yellowing may occur when these materials are applied to Ber- mudagrass, but this will disappear in seven to 14 days. Novosad points out. St. Augustine is severely burned or even killed by these chemicals, but small bare spots should be covered by new growth in four to six weeks.

Weedy grasses should be mowed three to four days be- fore treatment, adds the spe- cialist. However, treated areas should not be mowed within 48 hours after application. Re- treatment or spot treatment is often necessary for good con- trol.

Dallisgrass and other weedy grasses may also be killed by wetting the leaves and stems with naphtha, says Novosad. This material should be used for spot treatment only as it will kill lawn grasses to which it is applied. However, bare spots left by naphtha treatment will be filled by new growth in a few weeks.

CARD OF THANKS:

I want to take this opportunity to thank the following men: Frank Allen, Dan Allen, Raleigh Reynolds, Warren Reynolds, Richard Young, Albert George, Bill and Etanley Smith, for plowing my cotton while I was ill.

R. J. Waddle. 40-1p

CARD OF THANKS:

We are thankful beyond measure for all of our good friends who helped us so much during our recent sadness. May we offer our humble thanks for your comfort and love.

The Lewis Family. 40-1p

CARD OF THANKS:

We wish to take this means to express our thanks to all our friends in Hamlin that have made our stay here most pleasant. You have been very kind and good to us. Especially do we express our love to Calvary Baptist Church for their love and kindness toward us. May God richly bless all is our Prayer.

The John Burleson Family.

Pigweed, spurge, fogfruit, morningglory, and similar weed may be controlled with 2,4-D, the specialist points out. Some weeds treated with this chemical may require two weeks to show the effects.

These chemicals must be di- duted in water and can be ap- plied as a spray or mop, say, Novosad. Directions on con- tainers should be followed closely since chemicals can be quite destructive if handled improperly. Many of them are toxic or highly poisonous.

Additional information on the chemical control of lawn weeds can be obtained from local county agricultural agents, adds Novosad.

Eight from County Attend District 4-H Encampment

Eight Jones County 4-H members attended the District III 4-H Club Encampment held at Buffalo Gap on Tuesday, Wednesday and Thursday of this week, according to County Agent, Kirby Clayton.

While at camp the group participated in study groups of Insects, Wildlife, and Safety. Recreation consisted of wash- ers, horseshoes, swimming, baseball, and movies. The club members registered for camp at 9:00 a.m. Tuesday and camp broke shortly after breakfast Thursday morn- ing.

The eight club members at- tending from Jones County were: David Holloway, Bob Doty, Herschel McDonald, Gene Stovall, Gary Harvey, Jimmy Hayes, David Forrest, and David Hager.

The boys were accompanied to camp by Jones County Agent, Kirby Clayton.

FAIRVIEW NEWS

By MRS. ELMER JOINER

We heard on the news this morning that they had over nine inches of rain, somewhere in Texas, wish some of the runoff would come our way. At least we did have much cooler weather last week, much to our relief. Maize harvest is in full swing, the hot, dry weather having cut the crop short, making it ready to combine much earlier than it would have been, otherwise.

We reported last week that Weldon Wainwright, of Gary, Indiana, was very low, but by the time the family had arrived from here, he was improved some. Mrs. George Wainwright and Jimmy, Mr. and Mrs. Wayne Wainwright and Mr. and

Mrs. David Higgins, all returned home the last of the week, but his father, George Wainwright, with Mr. Wainwright's sister, Ethel Allen, stayed on with them for awhile. Only time will tell what the verdict will be, but at the last report there was hopes that the sinking spell was caused by severe dehydration and maybe he would soon be much better.

Linda Goodwin went with her friend, Jeannie Young and her mother, Mrs. Richard Young to Sweetwater, to spend from Friday until Sunday, with Mrs. Young's mother, of that city. It was a good way for Linda to celebrate her birthday, which was Friday, as she had been carrying on the house work at home, since her mother had surgery almost two months ago.

Mr. and Mrs. Fred Rosenbaum spent the weekend in Ft. Worth, visiting her brother, Mr. and Mrs. D. T. Downey and daughter.

Mr. and Mrs. Bill F. Joiner, Christine, Allen, Linda, Brenda and Tommy, of Brawley, California, ate lunch with his uncle, Mr. and Mrs. Elmer Joiner, Sunday. They have been visiting his mother, Mr. and Mrs. Leroy Vandervort, who reside near Old Glory. Christine and another son, Robert, have been with their grandmother for a few weeks visiting, and will return home with the family.

Mrs. E. A. Henry reports that her son, Clois Henry and family, flew over from San Angelo, Sunday afternoon, for a visit. Must be a sight to look

out and see your children come rolling up to your door in a plane, all of which the Henry's get real enjoyment from.

Mr. and Mrs. Woodrow Goodwin ate lunch with Mr. and Mrs. Winson Gray Sunday, being Mrs. Goodwin's first Sunday to be able to attend both morning services, since she was sick.

The Fairview church, along with a group from Tuxedo, went to Hamlin to the rest home, Sunday afternoon, for a visit and to hold services for the patients residing there. They reported a wonderful time visiting with the patients and a warm welcome from the staff, with an invitation to return.

Buster Mackey, left last Tuesday, for his home in Panorama, California, which is a suburb of Los Angeles, after a few weeks visit with his uncle, Mr. and Mrs. Winson Gray.

Mr. and Mrs. Flavil Holmes and Mr. and Mrs. Jack Wright and children, went to Peacock, Sunday afternoon, where they met some of their relatives at the home of Mr. and Mrs. Bob Clements. Mrs. R. O. Clements, who is a sister of Mrs. Holmes, has a little granddaughter three years old, the daughter of Mr. and Mrs. Bill Clements, who will have open heart surgery, in Dallas, this coming week. Jack Wright is scheduled to go and give blood for the operation. It is to be very serious and the outcome is uncertain, as it always is in such a case, but since the outcome is certain without it, it is something that has to be changed. Let's all remember the family in this hour, even though we do not personally know them.

Mr. and Mrs. Elmer Joiner went late Sunday afternoon to visit his cousin, Mr. Arthur Rutherford, of Stamford.

Mr. and Mrs. Doil Jones, Rickie and Mike, San Diego, California, Mr. and Mrs. Bill Jones, Sherman, Texas, with their three sons, all visited with their parents, Mr. and Mrs. Mel Jones, last week. The Jones from California stayed from Wednesday night until Monday morning, while the Texas son's family had to return home Friday.

Marion Carter Completes Course

FORT POLK, LA. (AHTNC)—Army Pvt. Marion F. Carter, son of Mr. and Mrs. M. F. Carter, Route 2, Hamlin, completed a field communication crewman course under the Reserve Enlistment Program at Fort Polk, La., July 10.

Carter was training in fire laying, message center operation and switchboard operation.

Rose Lovell Will Serve on Staff At Glorieta Camp

Rose Lovell, daughter of Mr. and Mrs. Charles Lovell, is in Glorieta, N. Mex., serving on the staff of Glorieta Baptist Assembly.

She is a 1964 graduate of Hamlin High School and a member of the First Baptist Church.

She attended Hardin-Simmons University during the first summer session. She will be in New Mexico for six weeks.

Mr. and Mrs. Norman Carlton's daughter and family, Mr. and Mrs. Tommy Greenway, Keith and Kent, of Andrews were visiting here last week. Also visiting the Carltons were Mr. and Mrs. Virgil Rush, Cincinnati, and Mr. and Mrs. Basbrando, Arizona.

Mrs. V. R. Leverett Resigns as Haskell County HD Agent

Mrs. V. R. Leverett of Old Glory has announced her resignation as Home Demonstration Agent of Haskell County. The resignation will be effective August 1.

She is the wife of V. R. Leverett, superintendent of Old Glory School. She said that responsibilities which demand more time with her family promoted her decision.

Mrs. Leverett was commended by Haskell County Judge James C. Alvis. He stated that she performed tirelessly, did a splendid job, and compiled an exemplary record. He also said the Commissioners' Court of Haskell County "reluctantly accepted" the resignation.

Mrs. Leverett has had experience as a Home Demonstration agent. She has served in Bosque, Coleman, Bexar and Kerr Counties. She resigned from the Extension Service to become a teacher in 1955. Last October she resigned as home-making teacher in the Old Glory School to accept the job as Home Demonstration Agent in Haskell.

The Haskell County Commissioner's Court has not named a successor to Mrs. Leverett at this time.

All-Colored Rodeo Set for Baird, 24-25

The Callahan County Sheriff's Posse will sponsor an All-Colored Rodeo Friday and Saturday night, July 24-25, at Baird, Texas.

This is an All-Colored contest approved by the Negro Cowboys' Association headquartered at Houston, Texas. In the past, Colored Rodeos have proved to be a real favorite at Baird.

This year's Colored Rodeo will feature some of the nation's top ranking cowboys competing in the five major rodeo events. Bareback Bronc Riding, Saddle Bronc Riding, Calf Roping, Steer Wrestling and Brahma Bull Riding. Also featured will be an old favorite of area fans, Alex Alexander of Houston, Texas. Gene Autry's Colored comedy clown and bull-fighter.

Starting time is 8:00 p.m. nightly at the newly rebuilt Sheriff's Posse Arena on Highway 80 East of Baird with plenty of free parking.

OLD GLORY...

By Judy White

This week, July 19-25, has been proclaimed National Farm Safety Week.

Two Old Glory men, E. H. Diers, County Service Agent for the Stonewall County Farm Bureau and B. A. Erdman, president of the organization have been instrumental in coordinating activities for a special farm safety campaign in this county.

Farmers in this area are reminded that farm accidents in Texas result in over 150 deaths and thousands of disabling injuries each year.

It is well to note that nobody benefits from accidents, but everyone gains from good accident - prevention programs.

We should all cooperate with Mr. Diers and Mr. Erdman and other members of the Farm Bureau in their effort to reduce accidents to rural families.

Mrs. Katie Gerloff spent Friday and Saturday of last week in Stamford with her sister Mrs. Pauline Fuqua.

Six members of the Old Glory Variety Club joined a group of women in Haskell recently to assist the volunteer worker at the Haskell Cancer Center. They met in the work room at the court house. Each took a long material of worn sheets to be used in making bandages.

An appeal for volunteer workers and donated materials had been made through the Abilene Reporter by the Cancer Center. Attending from here were: Mrs. Charlie Letz, Travis Beil, Beno Hertenberger, Katie Gerloff, Garrett Spitzer and Lynn Flowers.

Mrs. A. F. House has returned from a visit in Brownfield with her sister's family, Mr. and Mrs. W. D. Dugger, and Gary Don. The Duggers were here over the July 4 weekend and Mrs. House went home with them.

Lisbon Letz, local postmaster, was in Fort Worth last week visiting with his brother's family, the Buford Letz's.

Recent guests in the home of Mr. and Mrs. Lynn Flowers were her sisters Mrs. W. H. Hargrove and Mr. Hargrove and Mrs. Hazel Fuqua, all of Stamford and Mr. and Mrs. C. Sprayberry of Avoca.

Variety club:

Mrs. Lynn Flowers hosted the regular meeting of the Variety Club in her home on Tuesday, July 14, at 2:30 p.m.

Patriotic songs were sung and Johnny Garner led the group in repeated in unison the Pledge of Allegiance. Mrs. John L. Garner led the prayer. Roll call answers were the naming of a U. S. President.

Plans were made to have the club's annual picnic.

Ten members and two children were present. Mrs. John L. Garner will host the next meeting at her home on Tuesday, July 28, at 2:30 p.m.

The Old Glory Variety Club's annual picnic was held on the lawn of the school house on Friday night July 17 at 7:30 p.m.

A basket lunch was enjoyed by about 20 people who attended.

Mr. and Mrs. Joe Jones attended the funeral of his uncle Tom Bell, at Davis Oklahoma recently.

Mrs. Joe Jones has been visiting her aunt, Mrs. R. G. Clark, at Austin, and another aunt, Mrs. Viola Heine, at Lamasas. Mrs. Heine had been critically ill for several weeks and passed away Saturday July 11. She had visited the Jones family here many times during the past several years. Our sympathy is extended to the Jones family.

4-H CAMP

Stonewall County 4-Hers who did not get an invitation to County Camp this year in he mail may regard this article as an invitation to attend.

The only requirement is that the 4-H member must have entered in some 4-H project or activities during the year.

The camp will again be held at Buffalo Gap. The cost will be \$3.00 per person and the campers will leave on July 30 at 8:00 a.m. from the court house and return around 4:00 p.m. on July 31.

Rural people have the same needs for electricity that city people have, plus hundreds of additional uses. Years ago, they tried desperately to get electric service and when everything else failed, they built the Midwest Electric Cooperative. This modern, efficient, dependable system furnishes a low cost electric service that is first rate. The member-owners of Midwest find that electricity in addition to being a good mixer is a good blender, cutter, heater, cooler, grinder, lighter, freezer, dryer, pumper, sander, slicer, cooker, trimmer and a lot of other things you can probably name. Midwest Electric Cooperative is a proud accomplishment of determined people building a better way of life in the rural areas. Rural electrification is good for all Texans.

REDUCE SPEED TO TOW BOAT

AUSTIN, TEX. — The Texas Safety Association reminds

boat owners to slow down when towing boats on trailers to and from launching sites. You need to slow down well in advance of turning corners — it's safer and easier on your brakes. Avoid unnecessary passing. When you do pass,

make certain the highway is clear. Your added load requires more highway passing area.

More than 225 different tree types, 600 species of grasses and 4,000 species of wild flowers grow in Texas.
